

Manasquan River Marlin & Tuna Club

Established in 1936

New Membership Application Guidelines

Submit completed “Application For Membership” and two letters of recommendation from members other than the officer/trustee sponsor.

Provide a brief biography including a narrative as to why you want to join and your interests in Club tournaments, committees and events along with a photograph of yourself and your boat. Our website, www.mrmtc.com provides details of our philosophy, history and current activities.

Upon satisfactory review of this initial information, you will be placed on a waiting list until acceptance into the Club. During the waiting period you are encouraged to attend the annual Club Workshop and Season Opening Party. You may also attend any Club captains’ meetings upon invitation by your sponsor. You are also encouraged to participate in the Annual Offshore Open Tournament, which is available to the general public.

New members are required to commit to participating in a committee or a tournament of their choice and are subject to a one year probationary period.

The Officers and Trustees will determine the number of new members accepted into the Club on an annual basis. Legacy applications take precedence over non-legacy applications.

Annual dues are \$200. There is a onetime initiation fee of \$150. You will be invoiced for these amounts upon acceptance into the Club. Thank you for your interest in the Manasquan River Marlin & Tuna Club. We look forward to seeing you in the future.
